DESIGNED FOR YOU

Welcome to the new
Vortex brochure!

3 new ranges,
4 new colours and
5 new styles, there's
a lot to take in!

Previously known as the Comfort Collection, our range has been growing steadily over the years and we felt it was time to make things a bit easier to follow. With this in mind we have divided the range into 3 new collections where styles are grouped together according to their characteristics and features- the ranges are Signature, Classic & Essentials.

Signature is all about bold colours & designs, with contemporary details & stylish touches.

Classic features smart, neat styles & elegant, professional colours. (This is also where you'll find most of the Comfort Collection favourites.)

Essentials is the starting point for performance-led fabrics & clean simple styling.

As always the ranges are designed to be as flexible as possible. Colours have been co-ordinated across the ranges, so that any number of different styles can be combined to create distinctive, eye catching looks that are appealing & accommodating to all!

Vortex's trademark attention to detail & quality is apparent across Signature, Classic & Essentials alike. We have been designing and manufacturing ladies fabrics, blouses & knitwear for over 20 years, specialising in order to bring the highest possible level of innovation, performance & originality to these new ranges. We hope that you enjoy them!
